

Remarks:

The Response to the Office Action Dated March 28, 2006, which was filed on May 23, 2006, inadvertently omitted a response to the Sequence Listing and Notice to Comply. Applicants, hereby submit an Amendment to the Specification directing entry into the application and a computer readable form (CFR) copy of the "Sequence Listing" and an initial paper copy of the "Sequence Listing" along with a statement that the content of the paper and computer readable copies are the same and include no new matter. Applicants also amended the paragraph at page 69, lines 10-17, of the specification to include the proper sequence identifiers.

The Examiner is invited to contact the undersigned attorney at (512) 536-5654 with any questions, comments or suggestions relating to the referenced patent application.

Respectfully submitted,

Travis M. Wohlers
